TWENTY-FIFTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, AUGUST 17, 1906

NUMBER 12

A Strenuous Session.

The city council of McCook had one of the most strenuous sessions in its history, Monday evening of this week, when the matter of passing upon the petition of the Burlington company to close and vacate the southern part of Manhattan street, which traverses their yard, came before the council. The attendance of interested citizens was large and the interest keen.

Mayor Waite was present, Councilmen Lawritson, McConnell and Gray, besides the attorneys for the petitioner and remonstrators.

The regular business of the meeting was in part first disposed of.

Bills as follows were allowed and ordered paid out of proper funds:

McCook Electric Light Co.	\$120.50
W. A. Gold	40.00
Thomas Burge	60.00
J. G. Call	36.74
Tribune	54.00
Republican	12.50
E. J. Wilcox	1.00
Bump & Bush	15.00
James Harris	10.00
Rosebush & Northrup	163.30
H. C. Lindsey	2.30
S. A. Warner	30.00

Reports of chief of police and city judge were read and ordered on file.

Report of city treasurer was read and referred to finance committee.

After the regular routine business of the city had been disposed of the railroad crossing and the closing of southern Manhattan street as prayed for by the Burlington was taken up.

The petition was read, after which the remonstrance and claims for damages were presented. The remonstrance contained the names of 236 citizens. There were 41 claims for damages filed, totaling \$72,675.00. Addresses were made to the council by Messrs. G. B. France of York, Neb., and H. W. Keyes of Indianola, Neb., for the remonstrators, and W. S. Morlan, for the petitioning railroad company.

The law and ordinance were read and discussed, until a late hour. Finally, it was decided by the council that the mayor appoint three citizens to consider the claims for damages and report. He was given one day in which to perform this duty. He appointed D. C. Marsh, W. J. Evans and C. F. Lehn, to whom objections were made, but on legal advice he made no change from his original appointments.

The appraisers were given thirty days in which to prepare their report.

By agreement of counsel the city council will pass upon the report of the appraisers and take action upon the petition, September 24th.

ADDITIONAL PERSONALS.

McCook Laundry Changes Hands.

This week, the ownership and management of the McCook laundry passed from Hammond & Bigelow to George G. Heckman, who at once assumed charge. Mr. Heckman is an experienced man in the business, which will doubtless continue as one of the successful business enterprises of the city.

Mr. Heckman will bring his family of six to McCook just as soon as he can secure a dwelling. Two of his daughters are musicians of ability and their advent will be a distinct addition to our music talent.

THE TRIBUNE extends a welcome to Mr. Beckman and his family, with the hope their residence among us may be profitable and pleasant.

I have just received the largest and finest line of pictures ever shown in McCook, and will have them on sale by Saturday, Sept. 1st. I also have a large and select line of picture moldings and will do your picture framing at a reasonable cost. I am giving my personal attention to the framing work. Moulding samples will be displayed in the store window. Look them over—they are all new and up to date.

Notice To Box Renters.

The courtesy of opening lock and combination boxes has been so misused in many instances and has become a nuisance and imposition of such proportions that it has become absolutely necessary to withdraw the courtesy, except under the most urgent necessity. Renters are therefore hereby given notice that they must be prepared to open their own lock and combination boxes in the future as required by the laws and regulations of the post-office department.

Compound Fracture of Leg.

Otto Smith, brother of Mrs. Julius Kunert, is now lying at the Kunert home in the city, with a broken leg, received just how nobody can tell just exactly. It happened, Monday, while he was employed with a threshing machine north of the city. His leg was caught in a belt and broken. He is doing well at present.

Killed Thirty-Two Chickens, Sunday.
THE TRIBUNE has information that a certain McCook party killed 32 prairie chickens, last Sunday. Several carriage loads of hunters were out on that day and doubtless more game was killed contrary to law. Such bold and shameless law breaking should not go unpunished.

Records of Renown.

We have in stock nearly five hundred records. Comic pieces, southern medleys, instrumental, rag time, solos, quartettes and numerous others make up our list. We would be glad to have you call and hear them any time.
